

# ALL AMERICAN WEEK 2018

## FREQUENTLY ASKED QUESTIONS (as of October 17, 2017)

*Q: What do I need to get on Post?*

A: POV drivers no longer need DoD decals for vehicles. DoD ID card holders can enter any gate and only the driver must present a DoD ID card. All passengers need only have a photo ID with them in the event they are asked to present them. Any guest who does not possess a DoD ID must enter through the All American Gate, which is located on All American Highway after the Sante Fe exit. All vehicles must stay to the left and enter the inspection lanes where vehicles will be inspected and a photo ID for each passenger must be shown. Currently, all state driver's licenses can be used to get a visitor's pass. **Please check back regularly or call the Visitor Control Center as this may change if a state is no longer in compliance.** Any questions should be directed to the Visitor Control Center (910) 907-5165.

*Q: Is transportation provided to/from the airports?*

A: There will be no transportation provided to/from the airports. However, taxi service is available.

*Q: When will the Schedule of Events be available?*
