82nd Airborne Division Association Veteran Membership Application Instructions/Information Sheet

Thank you for your interest in joining the 82nd Airborne Division Association (“Association”)! The Association is for anyone who ever served in the 82nd Airborne Division (“Division”), and anyone who is currently serving on active duty on jump status; or has ever served in any of the uniformed services on either jump or glider status and was honorably discharged. By becoming part of the oldest and largest Airborne association of its kind, you are helping to further develop the bond between current and past Airborne forces of the U.S. Military.

To become a new member, you must provide proof of honorable service, and proof you served with the Division or proof of military Airborne qualification. The following documents can be used:

- DD-214 (Member 4 copy) – Must be a copy that states Honorable character of service.
- Certificate of Completion of Basic Airborne School (only needed if not stated on DD-214)
- Orders that Assign/Attach you to the Division, awards presented while Assigned/Attached to the Division or any official document showing you were Assigned/Attached to the Division (only needed if not Airborne qualified, and it is not stated as Last Duty Station on the DD-214). Other documents will be considered.
- Proof of Assignment/Attachment to the Division must be provided to be classified as a Regular Member. If no proof of Assignment/Attachment is provided, you will be classified as an Association Member.

In many cases, the DD-214 is the only document needed for proof of eligibility. If proper documentation is not provided, our office will attempt to contact you three times over a 90 day period. If you do not respond and supply the proper documents, your membership fee will be considered a donation to the Association General Fund.

Application, supporting documentation and payment should be mailed to:
